Print References

Books available through our catalog

- [A History of UFO Crashes](#): 10-page chapter on Twining memo. Randle: "In the context of the time, from what we know now, we can conclude that the Twining letter does not rule out the possibility of a UFO crash near Roswell. Instead, it is part of a brilliantly conceived plan to hide the truth of the crash, yet gather the data the AAF wanted."
- [The Real Roswell Crashed-Saucer Coverup](#): Both Berlitz/Moore and Randle/Schmitt omit key parts of the

twining letter in their Roswell books, p.28-29

- [The UFO Book: Encyclopedia of the Extraterrestrial](#): Mention of Twining and his memorandum that the UFO phenomena is "real and not visionary or fictitious.", p.489

Reader Comments

Regarding "Nathan Twining" - Latest First

Would like to know if Nathan Twining owned a cabin on Beaver Lake Michigan in the 1960s? I remember a cabin that had that name on mailbox. I had an experience at Beaver Lake in 1963.
