Regarding "D R Van Staveren" - Latest First

VanStaveren Requests Removal of this Page

VanStaveren called me tonight and said, "I strongly advise you to remove this page." I declined this request. I explained to him that a web index is created when someone becomes the subject of controversy on the net, and that it cannot be removed. I told him he was free, however, to post his own links and respond to any material he feels is false. Our conversation ended with some acrimony.

I went back to his page, and, sure enough, "Amy" Van Staveren's page had vanished. However, my preserved copy of the page is still there, which I suspect was the motivation for the call.
