Regarding "Joel Vincent" - Latest First

Joel Vincent: Hometown Boy Who Shines

Joel Vincent is a native Pittsburgher who is proud of his roots. He has made it to the national scene but retains his sense of humility. You can always count on Joel for a joke or a laugh. He is a font of knowledge, but is never ashamed to learn more and air others views. Joel is on top of all the latest conspiracies, old & new. Joel & his wonderful producer, Jedediah make a great team. His show is smooth & interesting radio. One can't help but to become addicted! The Express line is a wonderful idea. It gives everyone a chance to throw in their 2 cents without waiting forever. Keep up the great work Joel & hurry up & get a web page on the net!

TALK SHOW HOSTS AND WANNABES CAN LEARN FROM JOEL VINCENT

Just a short note to all talk show hosts or talk show groupies: Joel is a unique man, a well educated man and a very fine man, listen to his delivery, his sense of news fact finding, his wit and charm, Leno should take lessons from this man due to the fact the he really does re-search all his subjects. He is a walking library of a little bit of alot of things and his connections about the US are staggering. Take note all you corporate giants, HERE IS YOUR NEXT STAR ! GO GET HIM. You will not regret it.

-- Dr. Chuck Stevens 7/1/98 (#2)

You'll find that Joel Vincent, host of the United Broadcasting Networks' "Vincent and Company," to be far more enlightening than Art Bell or any of the other national talk-show hosts. Whether the OK City bombing, TWA 800 explosion, New World Order, or UFOs, Joel provides the most comprehensive and up-to-the minute developments regarding events that the mainstream media refuses to cover. He's also the most considerate radio host on the air. He doesn't cut guests off and lets everybody speak their peace whether he agrees with them or not. I highly recommend that you drop in to listen to Joel.
