Regarding "George Hunt Williamson" - Latest First

[An Adventurer Par Excellence](#)

Mr. Williamson was a very dear friend of George and Dorris Van Tassel. He was a contactee that had an unusually broad racial impact as he was a Anthropologist as well. Since the Ministry has a large amount of personal information about him, watch this site for new and exciting facts heretofor unreleased.

FRIEND OF GEORGE HUNT WILLIAMSON

As a Adamski ghost writer and personal friend of George Hunt Williamson, I wish to inform everyone that GHW, living in Long Beach, CA, passed away many months ago. The story that he died on an expedition to South America was bogus. I went with him on local expeditions in Southern California where we found evidence of ancient civilizations in the desert above Palm Springs in the mountains. This consisted mainly of writings and pictures carved in rock similar to the writing on the stone out of Hemet, California.
