I don't [know] about a "Henry Franzoni" but one Robert Frances Franzone is who "Robert Ghost Wolf" is. He has also gone by the names of Robert Parry, Bobby Wolfe and Robert Wolfe. He isn't a Native American either; he's Italian. "Robert Ghost Wolf" is what you call a phony-baloney plastic injun, and yes he has been on Art Bell a few times.

Excerpt: "Robert Franzone-Parry-"Ghost Wolf" in the present tense is the same scheming, lying thief he's been from the time he began his scamming. Such a person has no business whatever near a sacred site, nor has he any business with Indian people (except perhaps to apologize profusely for his scamming carried out in our names)."
