Regarding "Varginha, Brazil" - Latest First

### Was any wreckage of the craft recovered?

I've been unable to establish if there was wreckage of the crashed craft recovered. If there were EBEs there MUST have been a craft - yet no websites and no documentaries mention the recovery of anything other than the EBSs - does anyone have further information on this?

### UFO's in Brazil

Some years ago,many people has seen 1 living E.T. at Varginha,State of Minas Gerais,Brazil.It was kidnapped by a military patrol,and well-dressed men offered too much money so the witness don't tell the truth.There's a man with a curious name(Urandir Fernandes Oliveira-UFO) who keeps a Project named "Paraiso",a far place where is possible to see ufo's every day.
