Regarding "Ontario" - Latest First

I am MUFON's (Mutual UFO Network) Provincial Section Director for Sudbury, Ontario, Canada and I have had approximately 12 sightings since 1974, when I was nine-year-old. For those of us who have seen UFOs and/or their occupants, we know one thing for sure: we are indeed being visited by SEVERAL alien civilizations. Maybe if the whole world knew about UFOs, questions such as "Who are they?" and "Why are they here?" would be answered. But don't expect the governments of the world to come out and tell you the truth. The way things are going, the secrecy will probably continue for another fifty years or more. I, for one, hope not.
