Regarding "Arizona" - Latest First

Base in Superstitions?

Seeking any information\anecdotal accounts regarding an underground facility in the Superstition Mountain Wilderness located just outside Apache Junction, AZ- Very close to Phoenix (Approx 40-50 miles). Looking especially for construction contractors who may have worked in the Globe\Superior area in mining who may have knowledge of the facility and or it's construction. I have many local accounts and am a frequent witness to unmarked black helicopters making regular flights over the mountains and Apache Junction/Mesa area. Send comments, info, rhetoric to Ekuth@garden.metrobbs.com all informants shall remain anonymous unless otherwise specified.
