Sedona, Arizona

New Age Capital

[an error occurred while processing this directive]

Small city in a scenic valley two hours north of Phoenix. Center of many New Age, spiritual and UFO claims.

That night I got out my crystals and my pyramid and sat in front of them in meditation. After I had meditated for a while, I focused on my third eye, and then the center of my brain, thus causing these energy centers to become energized. After a few minutes of this I gave myself the mental instruction to project my thoughts to the Arcturians, and then I visualized myself floating up into the Arcturian ship in a pyramid of Light. Since that night my perceptions of Sedona have changed considerably. Sedona seems more magical than ever.

Regarding "Sedona, Arizona" - Latest First

If you really want the truth. Try looking at Vortex Areas ! Spend some time in one and you will learn. Sedona, Arizona back in Boynton Canyon would be a good start. Camp out in the back for a week if you can. Its Enchanted. Don't take weapons, Aliens don't like armed people. Be careful

what you think ! Very Important ! Fear, greed and anger will ruin your trip. Love, hope and faith will get results. Respect the area ! Have fun ;)
