## Print References

Books available through our catalog

- [The Randle Report: UFOs in the 90s](#): Chapter 4 (24 pages) is an analysis of Ed Walters' Gulf Breeze photos: Randle: "Ed Walters, playing a somewhat admitted practive joke, found himself the center of attention, and he loved it. The fact that there was nothing to the sightings meant nothing to him. He grabbed the spotlight as quickly as he could, and has done everything possible to stay in it. But his story, from the beginning, was a hoax."
- [The UFO Book: Encyclopedia of the Extraterrestrial](#): Ed Walters & Gulf Breeze case, p.263-267
