Regarding "Hawaii" - Latest First

USAINSCOM FS Kunia, Oahu, HA

There is a Joint Command Intell Listening Center situated in a pineapple field on the road between Schofield Bks and Wheeler AFB. Locals call it THE TUNNEL, because that, and the antennae and air vents are the only visible proof that a huge 6 story underground bldg lies beneath the field. It had originally been built as an aircraft manufacturing facility, then turned over to ASA and later NSA. I worked there for 3 years.
