### Covert Ops/ conspiracy plots

Look guys ( and girls), I have to tell you, talking from a position of vast experience of Ops in Ulster, Bosnia and Gulf war, that these notions and facinations with 'conspirises at the highest level' are nothing more than fantasy. Trust me! any comments on this, lets hear it.

### Spaceman in Ulster.

John don't be such a spaceman. Sorry about your mate being killed but, I've been there on many occasions and have took part in numerous covert ops. What you have discribed is more likely to be explained by your lack of knowledge and niavity

### Clophill, Bedfordshire SAS wormhole experiments.

I would be interested to hear from anyone about the aledged goings on at Clophill in Bedfordshire, UK where the SAS have a training base and it is aledged worm hole experiments are being conducted.

**military sightings/conspiracy**

I was a career soldier with rank who served in the Falklands and two tours of Ulster, one covert. I have experienced a sighting and chased something with my patrol in Ulster in 83, only to be stopped by an operation that involved the Eire government. I also have evidence of a conspiracy that involved higher echelon UKLF and resulted in the death of a British soldier all witnessed by myself and my oppo. Who can we tell without compromising the official secrets act which we both had to sign and which we were threatened with after the two events. I want to clear my conscience but also protect my family so e-mail me with your details or advice on who to contact. Many thanks!!!
