Regarding "Government Secrecy" - Latest First

### Area 51 a hoax

The top secret project at Area 51 has nothing to do with extraterrestrials or alien space craft.It is a project involved in projecting Holographic images in the sky above the base.This is used to confuse the enemy in wartime.These images projected by lazars can be aircraft or UFO(unidentified)objects.The technology as old as it is has not been perfected to the military needs yet.The alien theory is a good cover.
