[Running Scared: The Life and Treacherous Times of Las Vegas Casino King Steve Wynn](#) by John L. Smith - -Anytime you have an "unauthorized biography", you can expect some juicy dirt to be tossed in the mix. Even better if the subject sues the author and publisher following its publication. And this book has it. Lots of **very** interesting tidbits of the most powerful man in Las Vegas and perhaps the entire State of Nevada. This is the guy with the Mirage, pirates and dolphins. A little background reading for those planning on visiting Las Vegas anytime soon. ([More](#)) -- #wynn \$24.00. To order call 702-227-1818 or [Add to On-Line Shopping Cart](#).
