Regarding "Utah" - Latest First

[Dugway Proving Grounds](#)

The DPG is used for testing chemical and biological weapons but more than that...

-- Chris (chris@gdl-i.com) 5/2/99 (#2)

"area SW of Tooele" is Dugway Proving Grounds

The mail message referring to the exclusion zone SW of Tooele (off I-80, not I-70 as was mistakenly stated) is the Dugway Proving Grounds. The air space restriction zone is due to the fact that a part of DPG's mission is the testing of chemical and biological agents delivered from airplanes. The statement that the "base is only accessible from the air" is false. DPG is accessible by two paved roads, used for the shipment of supplies and the commuting of base personnel.
