Regarding "Virginia" - Latest First

### secret base

I was wondering if you all had any information on an old, run down government operation located on Spears Mountain in Buckingham county Virginia. This base was guarded very heavily back in the 70's and early 80's but no one is up there now. Any info. you could provide would be useful.

### VIRGINIA BEACH SIGHTING

In 1974 Virginia Beach about 9 p.m. three objects would appear off the coast would appear and shoot straight into the atmosphere, disappear and reappear within minutes without any sound whatsoever, this went on for approximately 30 minutes in perfect formation. This was all witnessed by several hundred people on the boardwalk that evening, including myself. The objects lights appeared to be amber and red in color.
