Regarding "Washington" - Latest First

Possible UFO sighting in Long Beach, Wa.

I was watching the Clam Cam in Long Beach, Wa. when on two different updates of the cam showed strange objects. I have the JPG's saved to disk and would gladly show them to whom ever is interested in seeing them. One looks like a moon sitting "on the sand" and the other is undescrivable. though it may be nothing, it may need gettter software to be enlarged to see it as I don't have. Thank You.
