Regarding "Wisconsin" - Latest First

## Does anyone remember?

I grew up in Lake City Minn. directly across the miss. river from Stockholm Wisc. On a christmas eve est. between 1960-63 my father a police officer took me with him to check out a report he recieved that night about an unidentified object in the sky heading east across Lake Pepin towards Lake City. Outside of town we stopped and a silver bluish-white disk silently passed over us. Does anyone have info regarding a sighting in that area approx. 11pm, on a christmas eve?

## Sighting near Fond du Lac

I have hesitated to tell many people of this experience. I'm not sure what I saw however it has bothered me for the past 3 years. I moved to Wisconsin about 3 years ago. I work in Fond du Lac Wi and travel east on Hwy 23. About 7:30am I noticed this small silver, shinny disc suspended in the sky. It was right over the street. It stayed in one place, I looked around as I slowed down trying to see if it was attached to something, it wasn't. I look often and try to figure out what it was and have noticed that there is not any possible way it could be attached. Have you received any other notes from this area?
