UFO On-line Newsletters & News Archives

UFO-related newsletters available on the web or by email. Links here generally lead to archives of past and present issues. The people listed here are the editors or publishers of online newsletters.

See [Magazines and Printed Newsletters](#) for UFO publications that are mainly available in hard copy. Also see [Mailing Lists](#). (A mailing list is less structured than a newsletter. Although both may be sent by email, a newsletter is more actively edited.)
