Regarding "Aliens in the Movies" - Latest First

Saucer Movies: A UFological History of the Cinema

My book "Saucer Movies" (Scarecrow Press, 1998) chronicles 100 years of UFO-themed motion pictures. Nearly 300 films are analyzed in connection with the UFO phenomenon. It is currently available on Amazon.com, Borders.com and Barnes & Noble.com or from the publisher. I believe it is the most comprehensive book to date on the subject.
