[Joel Vincent the best of national radio show hosts.](#)

You'll find that Joel Vincent, host of the United Broadcasting Networks' "Vincent and Company," to be far more enlightening than Art Bell or any of the other national talk-show hosts. Whether the OK City bombing, TWA 800 explosion, New World Order, or UFOs, Joel provides the most comprehensive and up-to-the minute developments regarding events that the mainstream media refuses to cover. He's also the most considerate radio host on the air. He doesn't cut guests off and lets everybody speak their peace whether he agrees with them or not. I highly recommend that you drop in to listen to Joel. John C. Thompson Georgia MUFON state dir./ISUR board member
