People With Aliases

This is an automatically-generated listing of all people who have aliases listed in the [People Section](#). The reasons for the aliases can be varied: Sometimes, fraud is implied; other times, a person may have used other names for professional, personal or spiritual reasons. Some people claim to "channel" other entities, which are considered "aliases" for the purposes of this listing.

See [Disputed Credentials](#) for those who claim educational and work credentials that cannot be confirmed.
