

Leading Edge Research Group  
P.O. Box 7530, Yelm, Washington State C.F. 98597 C.F.

Since 1988, Leading Edge Research Group has released over 10,000 pages of information to researchers worldwide through the 120-page monthly International Research Journal, The Leading Edge (Sample issue \$12PPD) and the Matrix series Of books. A Catalog containing listings of all issues from 1988 to present (\$8PPD) and an alphabetical subject index covering 1988-1994 (\$6PPD) is available. Overseas researchers write for ordering information and prices. Leading Edge Research is the source for Matrix II: The Abduction and Manipulation of Humans Using Advanced Technology by Val Valerian, 1990, 661pg (\$52.50PPD), Matrix III: The Psychosocial Chemical, Biological and Electronic Manipulation of Human Consciousness by Val Valerian, 1992, 971 pages (\$55PPD) and Matrix IV: The Equivideum - Paradigms and Dimensions of Human Evolution in Consciousness by Val Valerian, 1134 pages, (\$65PPD). A second volume of Matrix III is planned for 1995, continuing and amplifying that paradigm. Curious? Send for free info! Special Brain Research and Technology Update issue (\$12PPD).
