### UFO sighted at NAS Moffet Field (Mountainview,Calif.)

On May 30th 1978,I was just outside the maingate waiting for a ride,when I saw a UFO. A marine at the maingate said hey look at that! I looked over to where he was and saw that he was looking at the UFO too! I then looked back at the UFO as it curved around heading away from me and seemed to fade/disappear.

### UFO sighting in South West Wales UK in 1970s

Anybody got any info on the above - The general area was known as the BroadHaven triangle, because there were so many apparent sighting. Some of which seem to have been very strange!

### Mid-70s Sighting Over Long Island

I grew up in the town of Glen Head on Long Island, New York. My sister and I saw a UFO as children. I believe she was ten and I was nine at the time so it was perhaps 1974. It had a greenish glow, upside-down pie tin shape shape with windows. It hovered close over the treetops for a few seconds, and was gone in lightning speed. I am trying to find out if anyone else spotted a UFO in the early evening sky over the North Shore of Long Island around this time frame.
