# UFO Sightings

UFO

Links to reports of "Unidentified Flying Objects" and unusual light phenomena. Reports linked here may be explained or unexplained, so long they seemed mysterious when first reported.

Also see [UFO Organizations](#) for groups that may keep track of UFO sightings and may maintain their own sighting databases. See [Alien Abduction](#) for abduction reports not involving the wide-awake sighting of aerial objects. See [Witnesses](#) for witnesses to major sightings and events.

This page is for links to sighting reports and articles - in text - which may also include pictures. See [UFO Photos](#) for sites that chiefly contain pictures, without text reports.
