Alien Abduction

Cases related to abduction or other involuntary physical contact with aliens.

The people listed on this page are researchers into abduction, not necessarily [abductees](#) themselves. For this page, a "researcher" is someone who studies many abduction cases, not just his own. For inclusion in this page, *physical* interference must be alleged, not just psychic or spiritual interference.

Regarding "Alien Abduction" - Latest First

How many abductees are gay

I don't know which site to ask this to but as person who is interested in this subject I would love to know how many abductees are gay if any whether male or female. If anyone could answer my question please do not hesitate to contact me at my email address. Thanks

Writers researching abductions seek true stories.

I'm a writer researching alien abductions for my next project. My is an abductee herself. I'm very interested in hearing true-life stories. Thanks for your help! Sincerely, Patrick
