Regarding "Christian Perspective on UFOs" - Latest First

### **Sergio , r u on crack?**

Millions of reasons that God exists???? Givve me ONE! Theres far more evidence to suggest the POSSIBLE existince ET than GOD! Your a retard.

### **We are not alone**

It is amazing that some individuals actually think that we are the only existing life forms in the entire universe. If every one open their 3rd eye and think, they should ask themselves why would the most high create this gigantic space with beings living in a small portion of it. People, please use your 3rd eye (brain) and think.

-- Skee 3000 12/3/99 (#4)

### **[Aliens are Demons or Fallen Aliens](#)**

I believe the Lord gave me a "dreamvision" where he allowed me to see an two actual UFOs and space aliens. I believe the Lord has revealed to me that they are coming and they are not nice, they are demons. Please see my website it tells about Satan's plan to deceive the world and if possible the very elect: <http://members.aol.com/mcendtimes/extreme/index.htm>

### **The Bible and aliens**

I used to be one who thought that God, Jesus, and the angels were all alien visitors. But when you think about it, why do the angels who come to visit always give glory to God? And why would God direct the Israelites in living moral lives in which they love one another and give Him glory? I believe that God is who He says He is and not an alien who just came to abduct and take soil samples lying to the Israelites about His true intentions. Has anyone thought about the Book of Revelation and how these so-called aliens could be part of the Anti-Christ's deception? Thanks for your time. Glory be to God.
