Channelled Aliens

Claims of alien entities speaking through human mediums.

See [Alien Walk-Ins](#) for claims that an alien entity has stepped into a person's body. (Channelling seems to be defined as a temporary episode, while "walk-ins" are more of a long-term residency.)

See [UFO Psychic Information](#) for psychic claims not involving channelling (e.g. remote viewing). See [Spirituality & Religion](#) for spiritual UFO claims not involving channelling.

Reader Comments

Regarding "Channelled Aliens" - Latest First

["the Pleadians" Channeled](#)

Barbara Marciniak channels "The Pleadeans" a sort of Alien group that claim to have gone back in time to this time in order to supply us with information that will activate our thinking process in becoming "light bearers" in the coming process of the earth entering into the fourth dimension which will bring great changes in perception of our place in the universe?
