Regarding "Government UFO Cover-Up" - Latest First

[Is The Alleged Cover-up The REAL Cover-up?](#)

The alleged "Cover-up"---that the government is concealing its own contact with aliens---begs the question that the government's purpose is "to conceal their contacts with aliens". Nothing could be further from the truth. The government created this loaded question. Such an allegation IS the cover-up. Funny how,with all this website's resources, you haven't mentioned me or my books, which document, an entirely different scenario. But why should you pay attention to me? After all, I'm practically the only one around who is not covertly employed by the spooks. I refused to work for them and was severely punished. Can you say the same?

Prepare Others with UFO existence

Being a Physicist, Elec. Engineer and Pilot, who grew up near NORAD, I've seen it all. MAGIC(NSA-CIA) is trying to cover up what many of us already know. We are being visited by about 9 ET species. We are studying and backward-engineering UFO's. Please help prepare other Americans, and write your congressman. Help stop the coverup, please.

-- Michael K (email@companyhunters.com) 7/24/97 (#5)

The Big Lie

If the Government should ever release a statement saying: "Terrorists have a nuclear bomb and are in the United States, so therefore Martial Law is declared" Or anything to that effect which involves martial law: Beware! Grab your guns and head for the hills. Soon after, all dissidents (sp?) will be gathered up and inserted into camps. PROTECT YOUR FAMILY!

-- Ghostcommand (GHOSTCOMMAND@HOTMAIL.COM) 7/14/97 (#4)

I am a Beleiver.....

The US government's arragent attempts to cover up information which we have a right to hear, is a direct violation of our rights. I beleive that there was a crash at Roswel, and we have a right to know the truth.
