UFO Felons & Felonies

User maintained link page

Occasions when UFO claims were employed in the commission of a felony, and the felony convictions of prominent UFO researchers. Only proven felonies should be linked here, or cases where public charges were actually filed. Proof of a crime might be a newspaper article or court record reporting it.

The people listed in the "Participants" section of this page have *proven* felony convictions, as substantiated by news reports or court records. (Due to its sensitivity, only the [webmaster](#) can assign this category in the ufologist file. Send requests for this assignment and appropriate documentation directly to him.)

See [UFO Hoaxes](#) for UFO hoaxes (and claims of hoax) not necessarily involving criminal charges. See [UFO Skeptics](#) for people and groups who are skeptical of all UFO claims (and who might have further information on felonies and hoaxes).

Regarding "UFO Felons & Felonies" - Latest First

[Turn To The Right, Please.](#)

I feel that those who blame their own actions on the unexplained or paranormal (and actually believe it) are truly deserving to be incarcerated.
