UFO Hysteria

UFOs as a manifestation of social hysteria and public suggestability. Sociological explanations for UFO reports.

See [UFO Folklore](#) for UFOs approached as stories passed from person to person, with interest in how these stories are told and distorted. In contrast, the page below deals with public suggestability in the generation of new stories -- for example, how people will see more strange phenomena when there is a lot of media attention given to it.

See [UFO Skeptics](#) for people and groups interested in debunking UFO stories. See [Earth Lights & Ball Lightning](#) for electromagnetic explanations for some UFO phenomena.
