Regarding "Nazi UFOs" - Latest First

Krupp manufactured "UFO"

I was among the first American Infantry units to arrive at the main Krupp headquarters located in the Ruhr Valley. I was present with intelligence personnel who removed safes from Alfred Krupp's Office. One of these safes contained blueprints for what I recognized later as "flying Saucer" or "UFO". These plans were turned over to "high command". I never thought about them until this type of device started making the news in the early 50s.

FOR A BOOK IN PROGRESS

I've written 8 previous books (3 on WWII) and have previously seen (but now can't locate) what appear to be blueprints or mechanical drawings of German Flying Saucers and I would like to acquire one or more for my new book. Photo(s) will be returned. You will receive acknowledgement, appropriate photo credit, and a copy of the book. German Flying Saucers will be one of approximately 30 different stories. Check my out of print books on amazon.com.

-- Timothy B. Benford (Benford4pr@aol.com) 4/17/99 (#5)

Third propulsion german System {WW II} never acknowledged.

Inertial Systems [Hitler's Secret Weapons]. Rocketry [by Werner Von Brown], S.S. supervised. Jets: Arado+ ME-262, + by Daimler-Benz/Chrysler [11/98]. 3er Secret Weapon: Magnetic/Inertial/Propulsion, spearheaded by Admiral Ingham. UFO's "Deception" after Roswell Incident. Earlier UFOs, [burned some folks], atomic energy driven. ["fizzled out"]. Today: magneto/technology. Inertial Systems installed on military craft, [early 80's]. Look like larger telephone pads, by the pilot's cabins. [Precursors or byproducts of this technology]. Germans are owed, for this. We can't recognize achievement, due to "Classification" since [1945]. Nov 1998.

-- Mike 11/17/98 (#4)

GERMAN AND EARTH SAUCERS .

I have seen and been in German saucers and bases in Antarctica. I have interviewed others who work with them, had further contacts and even released the Admiral Bryd docs of the Hollow Earth. Yes they exist, with e.t. help. Marconi's scientists also built them. Now the German saucers have allied with the Arrannia in the Hollow Earth and other worlds.. Yours Sincerely; Ivan Boyes International Hollow Earth Society
