## UFO Psychic Information

Information on aliens obtained by remote viewing and other systematic psychic investigation, as applied to the quest for physical evidence.

[Channelled Aliens](#) for claims related to the channelling of alien entities by humans (aliens speaking through human mediums).

There is a distinction between this page and [UFO Spiritual/Religious Aspects](#). Items linked to the page below may use remote viewing or other disciplined psychic information as an unconventional tool in the pursuit of conventional scientific proof of the physical phenomenon. On the spiritual page, there is less concern with proving the physical existence of aliens or UFOs; spiritual or religious contact has already been made, and no physical proof is needed.
