UFO Spiritual Aspects

Religious or spritual claims connected to UFOs or aliens.

See [Channelled Aliens](#) for the channelling of alien beings through human mediums (aliens speaking through the mouths of humans).

There is a distinction between this page and the [UFO Psychic Information](#) page. Items linked to the page below are not concerned with proving the physical existence of aliens or UFO; they say that spiritual contact has already been made and that no further proof is needed. On the Psychic Information page, remote viewing or other psychic means are used as an unconventional tool in the pursuit of conventional scientific proof of the physical phenomenon.

His direct, no-nonsense approach to esoteric matters is refreshing in these times of chaos, confusion, and indecisiveness. Virgil's approach to all things is spiritual, offering solutions and alternatinves to matters which otherwise would seem futile and irrevocable.
