Regarding "Underground Bases" - Latest First

There is considerable testimonial and an ever increasing number of individuals coming forward to announce an amazing array of claims about the AREA 51/Groom Lake facilities, and Nellis Range area. I have regular professional contact with those who are in the know, and they insist most of it is fanciful. Some of it, however, is absolutely genuine as they say, and therefore, vigilance is necessary in the pursuit of the truth. Simply put, the truth is hiding in plain sight. Now go do the homework, and find these truths for yourselves.
