Subject: Re: MJ-12 and Area 51

There is no mystery about my Receipt of SOM 1.01.. The First sentence on p.161 of TOP SECRET/MAJIC is "In December 1994, I learned of what is perhaps the mother of all Majestic 12 Documents! I was on the phone with Don Berliner who is a member of the Board of the Fund For UFO Research when Don let slip that he had received another MJ-12 Document in March." Don in an article in IUR stated he had determined to keep the document away from those who had expressed pro or anti- sentiments. about MJ-12. He was half successful. MJ-12 bashers Weaver and Todd were aware of it by the end of April. He was upset about its appearance in TSM. It was well over a year after I received it that it was out with much more being published than I anticipated. STF
