> Berliner.

> Ed Stewart

No, I wouldn't automatically assume you were bashing Friedman, but I do know that I was listening to Art Bell back in July or August and it hadn't been published then. If you want to get something exciting out in a hurry, send it to some media people, or call a press confrence. Your implications that he's in it for the money aren't valid, because you can't make a very good living writing UFO books, IMHO.

Regards,
Scott K. Hale
