Subject: IUFO: The Late Senator Kennedy & UFOs!

This may be old news to some, but I received a copy of a letter photo copied out of a book allegedly from Senator Robert Kennedy to a publisher of a UFO Magazine. In it the Senator explains his beliefs in the UFO phenomena and his hopes for learning more. This in NO WAY states that UFOs are real. However, I hope it might do something to quiet those who think that ALL UFO believers are either nuts or idiots. Copies of the letter can be found in Decembers UFO news in UFO Folklore at <http://www.qtm.net/~geibdan/framemst.html>
