Subject: Re: Archival Research

For Jan Aldrich: Glad to hear things are loosening up at Maxwell. The people were always cooperative, but back then copying facilities were very poor. I sent out many requests re Pinball.. Got a few useful ones back. Will try to dig them out. Most never heard of it. I must say things are getting better. The Ike and Truman Libraries now have copy machines so one can do one's own right there. It used to be that one made out a copy request sheet, put it in the box, waited weeks to get the copies and paid .35 each... Stan Friedman
