Hi Pat...

I suppose that I should climb aboard the same boat with you. Lord knows that both Julie and I have experienced our share of bizarre occurrences. Still, I realize enough that the constitution of reality is far more than is presently recognized by the many. I have a hunch as to who and what these entities are, but as yet do not have enough proof to conclusively state that I know.

Kindest Regards my friend and we both wish you the happiest of holidays.

Clark Hathaway
