Re: The RAND Document

Hi Jan,

I meant to mention that the RAND Document copy I have is 32-pages. I can't remember what (size) Michael Ravnitzky reported. The document is impressive. On page 1 the author stated that the UFO subject was a "...potentially very significant problem." As I said earlier, it wasn't secret (or at least wasn't stamped as), but after reading it you can see why it was common knowledge and had to be extracted with some pressure.
