Subject: PROJECT-1947: Teheran 1976

To the list,

I am attempting to find any information on the Sept. 1976 Teheran "landing" case for another investigator. I have already sent him the relevant pages from Fawcett and Greenwoods' book, "Clear Intent", or The UFO Cover-up" (your pick).

I understand that there was a satellite confirmation of this event found. Any idea where I could get this?

Any other info or references to info would be greatly appreciated.

Thanks
Drew
