>Well, I have to tell you, that was a bit frustrating.snip....

>Finally, Peter Gersten, a well-known lawyer in UFO circles for his FOIA work,
>has been sending out a serialized story about the future kidnapping of
>Supreme Court Justice O'Connor and how that leads to the removal of the UFO
>cover-up. He recently indicated that readers of the story might become
>involved in the actual events, and had me (by name) calling the FBI to check
>on whether a Supreme Court Justice was actually missing.

JC: Oh ginger peachy. Just what we need; UFO fiction from the person that
has helped obtain some of the most important government information we have
concerning UFOs.

Pardon me if I don't stand up and cheer.
