A list member sent me this in a private message:

Committee for the Scientific Investigation of Claims of the Paranormal.

And: Prometh_E_us Books.

Maybe it was missed by many, or maybe I posted it elsewhere and not here, but I have a policy of not spelling these names correctly. This is in keeping with their obvious policy of getting everything wrong when they address the subject of UFOs.

Actually, the real name of the organization is CSICOPOUT, which, as someone pointed out, also includes POUT, something they do all too well.
