Rebecca,

When I was talking about the man on the video having a NY accent, this was quoting from Mike Hesemann after he saw the video with Ray. After I saw it, I spoke to Mike and said that it WAS NOT a NYC accent. Mike agreed that he doesn't know American accents. So, everyone who called it a New York accent was a foreigner, who would not know American regional accents and dialects.

Sounds midwest to me, most likely Ohio. Cameraman's son lives there, we are told, to it makes sense.

I could not detect eye color in the video Ray showed me, so I think comments on eye color must be considered speculative.

Bob
