Subject: UFO Picture Upload

If anyone is interested, I started uploading to alt.paranet.ufo some of my 1,000+ UFO photograph collection.

But I also received these two e-mails today:

It is considered bad newsgroup manners to post .jpg's in a group that is not a .jpg group. Especially since you say you don't even read this NG.

Please ask this user to refrain from posting the 1000 .jpeg's he plans to post to a non binary group.

I thought there was an alt.binaries.pictures.ufo newsgroup but I couldn't find it. I'll continue to upload batches of pictures until told to stop.

Thanks, take care.
John.
