Hello Vince,

>>So far, all we have is an interesting bit of video, and scads of
>>unverified (and demonstrably false) claims made by its promoters.

Could you possibly give me a list of these claims? I am particularly
in those that are "demonstrably false".

I would like to compare it to the lists that I have. I also have a
list of unverified and demonstrably false claims made by the films
opponents and it seems to be so much longer than the list by the
promoters, so I feel that I must be missing some.

Thanks for the help.

Regards,

Theresa Carlson
