Subject: Re: UFO Military/Government Witnesses

Dr. Steven Greer's posting, announcing the expiration of the period for federal protest of his plan to convene military witnesses to retrievals of UFOs and occupants, is most welcome. Now that he has obtained implied consent from the President, the Director of Central Intelligence, and the Chairs of the Senate and House Intelligence Committees to have these witnesses speak, Project Starlight can go forward with facilitating either Congressional Hearings, a U.N. presentation, or a world press conference televised globally.

I applaud his efforts, and look forward to the emergence of the truth about UFO reality and ET presence this year.

Richard Boylan, Ph.D.
