Subject: Re: Southern Florida MUFON?

Thanks to Errol and UFO Updates, we have been able to contact the Florida MUFON Group. We are continuing to have sightings in Ventura County including today, January 3, 1997. We have new video and still photos we are having analyzed. We are exchanging copies of the videos with the Florida group. Hopefully, with our combined efforts, we can shed some light on this interesting dual, cross-country sighting!!
