Major Snip

> Until such time that real film is presented for analysis and not
> generational copies made from video, the entire matter should be
> regarded as fraud perpetrated to exploit the gullibility of the UFO
> community. And the people that have been promoting it should be
> considered as willing participants in the promotion of fraud.

> Any claim where the claimants are not willing to provide the necessary
> genesis and provenance to establish the validity of the claim should be
> regarded as false when confronted with conflicting evidence that has
> genesis and provenance established. And such claims should not be the
> focus of research until such time that the genesis and provenance of the
> claim is established by the claimants.

> Ed Stewart

Well said. Well said indeed.

Kudos to you, Ed.
